

AN IMMERSIVE NIGHTTIME
LIGHT AND SOUND EXPERIENCE

NORTH FOREST LIGHTS

AT CRYSTAL BRIDGES

OCT 26-FEB 16

↑ Art Trail to
Downtown
21c Museum
Hotel
Bentonville
Square

North Forest Lights is an artistic light and sound experience in the middle of the North Forest unlike anything Crystal Bridges has ever presented before. Five distinct installations will bring the soul of the forest to life with light, sound, and sensory effects in a captivating, family-friendly experience.

Tickets available at the lobby desk and CrystalBridges.org.

The experience will be open in the evening hours after sunset. The forest is a natural setting with changing elevations, please watch your step.
